

## TURNAROUND TIMES

### WORKING DAYS (IN-LAB)

- Turnaround times are calculated based on number of working days from when we receive the case in-lab.
- Working days are calculated from Monday - Friday (9AM - 6PM) and does not include weekends, public holidays or delivery days.
- Any case over 6 units requires a minimum of 10 working days in-lab.
- Any rush services or special request cases MUST be scheduled in advanced and is subject to additional fees. Please pre-schedule "RUSH" cases by calling us at 04-299 8563.

To ensure case success:

- Kindly remember that some deliveries are made by 5pm. Please do not schedule a patient for the same day.
- Fill out the Lab Sheet thoroughly.
